WELCOME MESSAGE

Evans Lukomona

Chairman & President
CDT Group Germany
(Germany)

Welcome to CDT Group Germany – a dynamic international platform committed to transforming lives through our three major pillars.

Through our strategic offices in Germany and Italy, we serve as a strong bridge connecting Zambia and other African nations to European education systems, international markets, investment opportunities, innovation, entrepreneurship and sustainable partnerships.

We believe in empowering communities through quality education, skills training, youth empowerment, business development, humanitarian support and global cooperation that creates lasting impact.

We warmly welcome governments, investors, institutions, NGOs and development partners to join us in shaping sustainable transformation across generations.

COMMUNITY DEVELOPMENT

JOINT FOREWORD

Francis Kaluba Sangano
CEO Zambia & Africa

Zambia stands at the center of Africa's future growth with peace, strategic location, natural resources and a young dynamic population. Zambia is the ideal Headquarters for African operations, coordination and regional development. We are committed to connecting Africa with Europe and the world for sustainable development and economic empowerment.

Simon Mwelwa
Deputy CEO Zambia & Africa

Our mission is to build strong partnerships that empower communities, create opportunities and promote innovation, trade, education and investment for sustainable transformation across Africa.

CHANCELLORS & INTERNATIONAL EXCHANGE (IEP) LEADERSHIP

Prof. Dr. Fredrich
Chancellor & Chairperson for
International Exchange Programs (IEP)

Germany, Italy and other German-speaking European nations provide world-class opportunities in education, research, technology, entrepreneurship and innovation. Through IEP, we create academic cooperation, cultural exchange and international exposure for a brighter future.

Prof. Dr. Eridge Simukanzye
Chancellor & Co-Deputy IEP (Africa Region)

Zambia is a gateway for regional cooperation and international partnerships in Africa. Through our networks, we empower youths, institutions and communities through education, entrepreneurship and innovation for sustainable development.

Prof. Dr. Jackson Mwewa
Vice Chancellor & Co-Deputy IEP (Africa Region)

Education, innovation and entrepreneurship are key drivers for Africa's future. We open doors for academic excellence, research collaboration, investment opportunities and community development for present and future generations.

ABOUT CDT GROUP GERMANY-ITALY

OUR LEADERS – DRIVING IMPACT GLOBALLY

Andrew Tembo

Director – International Business Trade (IBT) Department (Zambia & Germany)

Having lived and worked in both Zambia and Germany, I understand the opportunities that exist in trade, investment, entrepreneurship and innovation. Through IBT, we connect businesses, investors and institutions for sustainable economic growth.

Apostle Charles Mundia

Director – Help-Projects Europe & Africa (Denmark Based)

Denmark offers great potential in community development, sustainability, education, healthcare and social innovation. Together with Zambia and Africa, we can uplift communities and create sustainable opportunities for all.

Eduardo Triboli

Chief Business Advisor (Germany)

Germany, Italy and other German-speaking nations are strong developmental partners for Africa due to their advanced industries, technology, quality education systems and strong economies. Strategic partnerships drive sustainable development across the continent.

Uwe Falkenau

Chief Advisor – Skills Training & International Business (Germany)

My 4-week business tour of Zambia under CDT Group was inspiring. Zambia has great potential, hospitality and creativity. With improvement in systems and punctuality, together we can achieve even greater impact through strong partnerships.
